## Who We Are

Fiddle Fire Catering LLC is a special events catering company headquartered in San Angelo, Texas. Our fully restored 1906 Peter Schuttler chuckwagon has made its home out here on the Goodnight-Loving Trail. We are lifetime members of the American Chuckwagon Association and are trained and experienced food service professionals. Our head cook, Dorothy Douthit, is also a champion fiddler and music educator, whose life on the historic forts trails has led her to both Fort Mackinac, MI and Fort Concho National Historic Landmark, in the heart of old Santa Angela.

## What We Do

We cater both indoors and outdoors. You can rent our fully modern dining facility at 1103 S. Oakes Street, or we can provide a meal at your venue of choice. Whether it's a fundraiser at the San Angelo Convention Center, a wedding at the lake, dinner on a ranch, or a perfect evening at Fort Concho, our trademarks are FRESHNESS and RELIABILITY. If the weather's not singing our song then we can offer indoor dining for your comfort and convenience. We always deliver. Rain or shine.
